2. The aim of the Competition is to promote innovative solutions by young designers. The Competition accompanies the 16th International Packaging Innovations Trade Fair to be held in Krakow on 09-10.10.2024.

Article 2 PARTICIPANTS

1. The Competition is open to adults up to the age of 30 who have full legal capacity and are not professionally connected with packaging design companies or packaging production (hereinafter referred to as “Participant” or “Participants”). Participants may not be winners of previous editions of the Competition.
2. The Competition is open only to students with a valid student ID card.
3. By entering the competition, you agree that both your image and your entry can be used by Targi w Krakowie Sp. z o.o. in its advertising and promotional activities on any promotional media. The processing of images will be carried out on the basis of the GDPR: according to Article 6 (1)(f) the processing is necessary for the purposes of the legitimate interests pursued by the controller.
4. Participation in the Competition is conditional on acceptance of these Regulations, which is understood to mean the moment the application is sent to the Organiser.

Article 3 APPLICATION FOR PARTICIPATION

1. To apply for participation, it is necessary to send in a completed Application Form with attachments in the form of design visualisations and/or design documentation in Polish or English and a scan of a valid student ID card by 30 April 2024 by 12:00 noon.
2. The Application Form is available on the Organiser’s website www.packaginginnovations.pl in the “Student Zone” tab.
3. After the closing date for receipt of applications as stated above, participants are not allowed to change the submitted design name. Only in the event that the Organiser notices an inconsistency in this respect during the verification of the applications may the Organiser make changes after prior consultation with the Participant.

4. In the event of minor mistakes or errors in the content of the Application Form, once it has been submitted to the Competition, it is possible to make corrections via the Organiser. The corrections may concern, for example: typos, misspelled numbers, terms and names.

Article 4

COMPETITION CATEGORIES

1. The competition is divided into 3 competition categories:
Category: Impression,
Category: Functionality and Form,
Category: Graphic design.
1. A detailed description of the categories is available at www.packaginginnovations.pl in the “Student Zone” tab.
2. Participants may only submit a design in one Category.
3. The Organiser is responsible for verifying the entries to the Competition and checking that the entries comply with the Regulations. In the case of major doubts concerning the submission of a design to a Category, the Organiser may suggest to the Participant to change the Category. The decision to change the Category and the responsibility for doing so shall be taken by the Participant.

Article 5

JURY

1. The Jury of the Competition is appointed by the Organiser (hereinafter “Jury” or “Jurors”). The Jury may include representatives of business organisations and NGOs, experts from the packaging industry, as well as practitioners and experts from the packaging and graphic design industry. The Jury will be chaired by a Member of the Management Board of Targi w Krakowie Sp. z o.o.
2. The selection of the winning Designs by the Jury shall take place in three stages:
 - 2.1. Preliminary stage - the Chairperson of the Jury will verify and confirm whether the entries have been submitted to the relevant categories in accordance with the Regulations,
 - 2.2. Stage 1 - voting by the Jury to select the nominated designs (hereinafter “Stage 1”),
 - 2.3. Stage 2 - meetings with the authors of the nominated designs and the discussions of the Jury, during which the winning designs will be selected (hereinafter “Stage 2”).
3. Each of the Jurors shall be obliged to:
 - 3.1. accept of the provisions of these Regulations, adhere to the rules of the Jury incorporated in these Regulations, which takes place along with participation in the work of the Jury,
 - 3.2. participate fully, actively and in accordance with the requirements of the Regulations in the work of the Jury (both in Stage 1 and Stage 2 of the Competition).

Article 6 PRELIMINARY STAGE AND STAGE 1 OF THE COMPETITION

1. The aim of the Preliminary Stage is to identify designs that meet the requirements of the Competition.
2. The verification will be carried out by the Chairperson of the Jury.
3. The verification will not be a stage in the assessment of the works. During this stage, the entries will be reviewed for correct category selection.
4. Entries rejected at this stage will not take part in subsequent stages of the Competition.
5. The aim of Stage 1 is to select the best designs to be qualified for Stage 2.
6. Stage 1 will run from 30 April 2024 until 31 May 2024. In special cases, the Organiser may extend the duration of Stage 1 at the request of the Jurors or on its own initiative.
7. At Stage 1, the Jurors will receive the designs from the Organiser and an assessment sheet to complete.
8. The vote of each of the Jurors at Stage 1 will be secret. At Stage 1, the Jury will award points from 1 to 10 to each design according to the following criteria:
 - 8.1. functionality and ergonomics
 - 8.2. innovation of the solution
 - 8.3. quality of workmanship and materials used
 - 8.4. taking account of users' needs
 - 8.5. design process
 - 8.6. aesthetics
9. The assessment of the designs will take place in a points-based system.
10. Each design can receive a maximum of 60 points.
11. The 4 projects from each category with the highest number of points will pass to Stage 2.
12. There may be more nominees in each Category if several Designs receive the same number of points.
13. The Jurors will assess the Designs by complete Categories, i.e. for a Juror's assessment sheet to be accepted, all designs in all allocated Categories must be assessed.
14. The list of Designs shortlisted for Stage 2 will be published on the Competition website <http://www.packaginginnovations.pl/en> in the "Student Zone" tab on 03 June 2024. On the same day, the authors of the nominated designs will also receive an e-mail confirmation with the results of Stage 1.

Article 7 STAGE 2 OF THE COMPETITION

1. Within 3 working days of receiving information about qualifying to the group of authors of nominated designs of the Competition, the Participants are obliged to send an e-mail to strefastudenta@targi.krakow.pl confirming their presence during the final of Stage 2 of the Competition and announcement of the results of the Competition, i.e. on 09-10.10.2024 at EXPO Kraków. In the event of unconfirmed attendance, the nomination will pass to the next person whose design received the highest number of points in the Category.

2. The Organiser reserves the right to verify the identity of the authors of the nominated designs on the basis of a valid identity card or passport with photo.
3. The authors of the nominated designs of the Competition of each of the 3 Categories are obliged to present their designs to the Jury during the 16th International Packaging Innovations Trade Fair on 09-10.10.2024 in a specially prepared zone in the EXPO Kraków hall at 9 Galicyjska Street in Kraków. The authors of the nominated designs are required to confirm their attendance latest by 05.06.2024.
4. The Organiser will provide each author of a nominated design with a showcase, a bar chair and a name badge entitling them to enter the fair.
5. The Organiser will not cover costs related to travel, accommodation and meals for participants in the “Student Zone” Contest.
6. Participants are required to prepare a 2-minutes oral presentation of their design and answer questions from the Jury in Polish or English in Stage 2 of the Competition, based on the designs submitted in Stage 1. Absence of a Participant during the presentation will result in automatic elimination at this stage of the Competition.
7. Following the presentations by the Nominees, the Jury will make a final assessment of the designs and select the Competition Winners in 3 categories (hereinafter “Competition Winner” or “Competition Winners”).
8. Stage 2 of the Competition will be resolved on 09 October 2024 during a meeting between the Jury and the authors of the nominated designs, while the announcement of the results and presentation of the awards will take place on 10 October 2024.
9. The verdict of the Jury is indisputable. The Jury is not obliged to justify its choices and assessments.

Article 8

AWARDS
